TASTING NOTES

Viper is a Sangiovese based "supertuscan." It has an intense red color with a fruity fragrance. Extremely elegant and delicate with an excellent structure, yet very smooth. Its balance brings out the florality and spices. The emphasis is of fresh red fruit complemented by the spiciness that gives it roundness and harmony.

RECOMMENDED PAIRINGS

It's the ideal combination with Tuscan cuisine such as mushroom soup, handmade pastas with meat sauces, grilled or roasted meat, liver pate, and aged cheese.
