PURITY & BALANCE

Moulin was a challenge set by Master Distiller Jean-Marc to create the smoothest and purest Vodka available. To achieve this Jean-Marc drew on seven generations worth of distilling heritage, the use of only the finest ingredients, and craft innovation that sees the seven-times distilled spirit go through a further process of micro-oxygenation and charcoal filtration.

SENSATIONAL TASTE

AROMA

An intensely clean presentation that ends with just a suggestion of zested lime.

PALATE

A very soft, smooth mouth feel displaying subtle notes of vanilla evenly textured across the roof of the mouth and tongue.

FINISH

A light, yet stylish, finish that feels perfectly balanced.
