

Chateau Maison Noble

St. Martin Bordeaux Superieur 2019

- 94 points, Decanter
- 91 points, International Wine Report

Grapes: 60% Merlot, 30% Cabernet Sauvignon, 10% Cabernet Franc

Tasting Notes: Production: Light red color with purple hues. Complex nose with notes of crushed strawberries and vanilla with slight spiciness. The palate is concentrated and smooth with powerful and ripe tannins. This wine is fruity with nice freshness on the finish. Drink now or hold.

Decanter: *“Deep and pure, with an abundance of creamy blackcurrant and blackberry, boosted by licks of vanilla, cacao and spice.”*

International Wine Report: *“The 2019 Chateau Maison Noble Saint Martin Bordeaux Superieur begins with fresh and inviting aromas of cherries and raspberries along with herbs, licorice, floral and hints of spices all coming together in the glass. This medium-bodied red possesses a lovely refined, silky texture and lovely overall balance through the finish. While this is attractive now, it should become even more appealing as it evolves over the next few years.”*
