

Palacio de Primavera

Tinto Rioja 2020

- 92 points, James Suckling

Grapes: 100% Tempranillo

Tasting Notes: Brilliant cherry red color with violet tones; aromas of wild blackberries, subtle spices, and mocha. In the mouth, you will find a balanced, intense and long-lasting wine with velvety tannins.

Food Pairings: Best enjoyed with red meat, Spanish tapas and semi-mature cheeses.

James Suckling: *“A fruity tempranillo, showing blueberries and blackberries with some black walnuts and stone, too. Medium to full body, round and creamy tannins and a direct finish. Drink now.”*
