

Quartz

Red Casablanca Valley Pinot Noir 2023

- 90 points, International Wine Report
- Certified Vegan, Naturally Gluten Free
- No added sugar, less than 105 calories per serving
- Certified Sustainable Winery

Grapes: 100% Pinot Noir

Tasting Notes: Intense aromas of fresh strawberries and tart cherries, with notes of rose petals and wild herbs. The well-integrated oak adds elegance and complexity – lightly toasted hazelnut and vanilla notes and very gentle, rounded tannins.

Winemaking: Grapes are handpicked by local farmers. Wine is fermented in stainless steel tanks, and then aged with selected neutral French oak barrels for 6 months. Minimum aging of 4 months in bottle.

International Wine Report: *“The 2023 Quartz Pinot Noir displays a vibrant ruby hue and a bouquet of ripe red cherries, strawberries, with subtle floral and spice notes. On the palate, it’s light-bodied yet flavorful, with a delicate balance of bright acidity and soft tannins. Earthy undertones and a hint of spice add complexity on the finish.”*
