

Tenuta di Collalbrigo

Valdobbiadene Prosecco Superiore DOCG NV

- 91 points, James Suckling
- 90 points, International Wine Report
- 90 points, Decanter

Grapes: 100% Glera

Tasting Notes: This Dry Sparkling wine is made from our best grapes. It is light straw yellow colored and it has a light froth and a fine and persistent perlage. Its flower and fruit notes recall the golden apple, the banana and the wisteria.

Food Pairings: This would certainly make a lovely aperitif during a warm summer day, can be served at the end of a meal with creamy desserts, or combined with orange juice for the perfect mimosa.

International Wine Report: *“This Prosecco from Collalbrigo delivers fresh aromas and flavors of green apple, lychee and citrus zest, which all come together beautifully in this refreshing style. On the palate it offers a wonderful mouthfeel with delicious orchard fruit flavors that continue on through the clean finish.”*

James Suckling: *“A fresh, focused sparkling with aromas of sliced apples, fresh pears, lemons, chalk and wet stones. It’s medium-bodied with fine, creamy bubbles and high acidity. Lightly off-dry, but well balanced with a mineral finish. Drink now.”*
