Willamette Valley Pinot Noir 2021

- 90 points, James Suckling
- 91 points, International Wine Report

Grapes: 100% Pinot Noir

Winery Notes: Aromas of black cherry, rose petal, red plum, cedar and vanilla bean. The palate is fresh and silky with notes of red cherry, berry pie, and baking spices. A complex and graceful Willamette Valley Pinot Noir.

James Suckling: *“Blueberries, flowers, raspberries and stones here. It’s medium-bodied and fresh with fine, chalky tannins. Very clean with cool freshness. Drink now. Screw cap.”*

International Wine Report: *“The 2021 Westmount Pinot Noir offers notes of spiced red plum, dried black cherries, anise, herbs, black licorice, and dried floral nuances. Juicy acidity, medium rounded tannins, and an herbaceous yet red-fruit-driven finish complete the wine. Accessible now.”*
