

Willow Bridge Estate

Dragonfly Cabernet Sauvignon Merlot 2020

- 91 points, International Wine Report

Grapes: 80% Cabernet Sauvignon, 20% Merlot

Tasting Notes: Punchy blackberry fruit, anise, ripe black plums and bay leaf aromas. A palate of depth and weight. A soft core of primary fruits, blackcurrant and plum, underpinned by gentle oak and a fine tannin finish. Essentially the Dragonfly Cabernet Merlot is an expression of the deep dark fruit characters attained from the Ferguson Valley region, rich and smooth with lashings of chocolate.

International Wine Report: *“The 2020 Cabernet Sauvignon-Merlot begins with inviting aromas of black cherries and wild dark berries along with spices, mint and herbs. Medium to full-bodied and nicely structured with a lovely soft, velvety mouthfeel. Flavors of red/dark berries spices leave an impression on the round, juicy finish.”*
