

Willow Bridge Estate

Dragonfly Shiraz 2020

- 91 points, International Wine Report
- 90 points, Wine Advocate

Grapes: 100% Shiraz

Tasting Notes: Fresh blueberry and ripe black plums, spice and gentle biscuit oak dominate the nose. Textural and rich, sweet plums and dark berries with toasted French oak and long fine tannins. Dragonfly Shiraz is an expression of the juicy and generous varietal blackberry and blueberry fruits attained in the Ferguson Valley, complemented by fine tannins and supporting French oak.

International Wine Report: *“The 2020 Shiraz opens to aromas of cherries and bramble fruit which are woven together with spices, pepper and wild herbs. On the palate this is medium, well-rounded and beautifully balanced with ripe fruit and nice underlying acidity. The finish is long, fresh and velvety.”*

Wine Advocate: *“This is a routinely exciting wine, especially give the price in Australia (AUD \$15-\$20). The 2020 Dragonfly Shiraz combines purity of fruit with a more intriguing and engaging blood/licorice/iodine/fennel character that elevates it beyond its price point. This is texturally on point and capable of so much pleasure. The Geographe is a brilliant region for Shiraz.”*
