

Cantine Russo

Luce di Lava Etna Bianco DOP

Straw yellow color with greenish hues, this is a full-bodied, balanced wine with hints of tropical fruit and citrus. Taste is persistent, fresh, with distinct mineral notes.

Aging: none

Grape of origin: 80% Carricante, 20% Cataratto

Location of vineyards: Solicchiata, Castiglione di Sicilia (CT)

Soil: volcanic

Elevation: 700-1000 m s.l.m.

Average age of vines Min / Max: 30 years

Average yield per hectare: 70/80 q

Alcohol content: 12.5%

The attention in producing our wines starts from the vineyard, first of all respecting the biodiversity present in our vineyards. The use of biological treatments based on sweet orange peel extract act only on the organisms harmful to the vine while safeguarding the "good" insects. This product is sprayed on the plant, on the leaves, on the bunch, forming an oily patina which protects the vine from a series of pathologies.
