

REYDOS

## COUNTRY OF ORIGIN

*Spain*

## APPELLATION

*Valencia*

## VARIETALS

*Muscat*

## TASTING NOTES

Reymos is a sparkling muscat made in Valencia. It differs from other sparkling by the processing method used, Charmat, much more natural. Thanks to its careful crafting, a creamy, dense and slightly sweet sparkling is created, with perfect balance between acidity and residual sugar content. It shows pale hints of green. This is a clean and bright wine with fine, persistent bubbles. Rich and elegant aromas of apricot and white raisins characteristic of the varietal are present. The high content of natural sugars does not conform to the traditional perception of sparkling wine, giving a feeling of fullness in the mouth. Persistent, sweet and very light finish.

Reymos goes very well with appetizers, desserts, snacks, pâté or foie gras, Chocolate, pie, nuts and oil seeds. It's also ideal for a moment of toast.
